If you currently have health coverage, we strongly recommend that you maintain your current coverage and request an effective date of 60 to 75 days from the date of application. This will help ensure that your application is processed before you surrender your present insurance.

Agreement (all applicants)

By applying for coverage, I, the undersigned, agree to the following:

- Blue Cross may decline my application. No coverage comes into effect until Blue Cross approves this application and informs me in writing. The effective date of my coverage, if this application is accepted, will be assigned by Blue Cross at its discretion.
- Even if I pay money with this application, that money is only a deposit against future premiums if this application is accepted. Cashing my check does not mean my application is approved. If this application is declined, neither Blue Cross nor any affiliated company shall have any liability to me or anyone else listed on it, except for the obligation to return the money submitted with this application. If this application is not accepted, neither I nor anyone listed on it will be entitled to benefits or coverage from Blue Cross.
- The selling agent has no authority to promise me coverage or to modify Blue Cross underwriting policy or the terms of any Blue Cross coverage.
- Any of my dependents listed on this application who are over the age of 18 years have read this application and have provided complete and accurate information for this application. Also, I have done everything necessary to be able to assure you that all information about any children under the age of 18 listed on this application is true and complete. I understand and agree that I alone am responsible for the accuracy and completeness of this application. I understand and agree that no one listed on this application will be eligible for coverage if any information is false or incomplete and that Blue Cross may revoke coverage if it discovers that any information on this application is incomplete or false.
- If the applicant is a minor, I accept full legal and financial responsibility for the coverage and information provided on this application. (Court documents establishing guardianship must be submitted if the responsible adult is not the parent.)
- In no event shall Blue Cross or any affiliated company have any liability to the applicant if the application is not approved, except for the obligation to return the money submitted with this application if this application is not approved, and neither shall any coverage exist nor shall the applicant be entitled to any benefits unless and until this application is approved by the Medical Underwriting Department of Blue Cross of California.
- I understand Blue Cross of California may use any information prior to the effective date of coverage in considering my application, including medical conditions which occur after the signature and before the original effective date.

I have personally read and completed this application. If I am accepted, this application will become part of the contract between Blue Cross and me. I and any enrolled family members agree to abide by the terms of that contract.

Arbitration: I agree that any dispute between me or any enrolled family member, and Blue Cross of California and/or its affiliates must be resolved by binding arbitration if the amount in dispute exceeds the jurisdictional limits of the Small Claims Court. Any such dispute will be resolved not by lawsuit or resort to court process, except as California law provides for judicial review or arbitration proceedings. Under this coverage, both I and my enrolled family, and Blue Cross of California and its affiliates, are giving up the right to have any dispute decided in a court of law before a jury. Blue Cross and the Member also agree to give up any right to pursue on a class basis any claim or controversy against the other.

Signatures (Required) – IMPORTANT: All applicants over age 18 must sign and date.
